Khalil - Thank You for the Interview

Dear Ms. Chavez,

Thank you for taking the time to meet with me this morning regarding the analyst position at Revels Corp. I was especially excited to learn about Revels' plans to develop a new research program in Health and New Technologies, my area of specialization as part of my undergraduate degree in Biotechnology.

I enjoyed meeting with you and the rest of the team. I remain interested in the position and hope to hear from you soon.

Thank you again,

Saadia Khalil
